Declaration of Commitment to the Principles of the "Charter for European Researchers" and the "Code of Conduct for the Recruitment of Researchers"

CREI-The Centre for Research in International Economics (www.crei.cat) is a center based in Barcelona (Spain) devoted to research on macroeconomics and international economics, at the highest international level.

CREI welcomes and supports the Recommendations of the European Commission 2005/251/EC (March 11, 2005), containing the "European Charter for Researchers" and the "Code of Conduct for Recruitment of Researchers".

CREI hereby commits to further develop its internal human resources strategy, adhering to the recommendations and the principles set out in Charter and Code, recognizing the importance of providing the best possible framework for researchers, while at the same time contributing to the development of the European Research Area.
