

**DECLARATION OF COMMITMENT OF NANOMOL TECHNOLOGIES SL TO THE PRINCIPLES OF “THE EUROPEAN CHARTER FOR RESEARCHERS” AND “THE CODE OF CONDUCT FOR THE RECRUITMENT OF RESEARCHERS”**

Nanomol Technologies SL welcomes and fully supports the general principles of both “The European Charter for Researchers” and “The Code of Conduct for the Recruitment of Researchers”.

According with its internal policies, Nanomol Technologies SL commits himself to get involved into the process of implementing a Human Resources Strategy (HRS4R) in our institution and to apply the state principles to ensure transparency, accessibility and equity in the recruitment of researchers.

By adhering to these recommendations, our company wishes to create an adequate framework for researchers and to contribute to enhance the attractiveness of the research career in the European Area.
