

Letter of Commitment to the
Recommendations of the European Commission to
the European Charter for Researchers and
the Code of Conduct for the Recruitment of
Researchers

The INOV INESC INOVAÇÃO, Instituto de Novas Tecnologias (INOV), as non-profit Research and Development Institute, created in July 2000, dedicated to support the national economy, aiming to increasing its competitiveness through the examples of success and technological development in the areas of the Information Technology, Electronics and Communications, expresses its support and commitment to the principles laid out in the European Charter for Researchers and the Code of Conduct for the recruitment researchers.

The European Charter for Researchers and the Code of Conduct for the Recruitment of Researchers are documents that support the commitment to excellence of INOV.

By signing this letter, INOV commit itself to follow the instructions and values set out on the European Charter for Researchers and the Code of Conduct for the Recruitment of Researchers.

Lisbon, November 30, 2018

Eng. Fernando Moreira
(President to INOV)
