

Cracow, 15th January 2016

**European Commission
Directorate-General for
Research & Innovation**

Declaration of Endorsement of the AGH University of Science and Technology to *The European Charter for Researchers* and *The Code of Conduct for the Recruitment of Researchers*.

The AGH University of Science and Technology, represented by Rector, Professor Tadeusz Słomka, fully supports the Recommendation of the European Commission 2005/251/EC on *The European Charter for Researchers* and *The Code of Conduct for the Recruitment of Researchers*. AGH University of Science and Technology hereby declares its commitment to the principles laid down in *The European Charter for Researchers* and *The Code of Conduct for the Recruitment of Researchers*.

AGH University of Science and Technology recognizes the importance of all principles and values expressed *The European Charter for Researchers* and *The Code of Conduct for the Recruitment of Researchers*. AGH University of Science and Technology intends to respect and promote *The European Charter for Researchers* and *The Code of Conduct for the Recruitment of Researchers* among its employees and researchers.

By implementing *The European Charter for Researchers* and *The Code of Conduct for the Recruitment of Researchers*, AGH University of Science and Technology intends to contribute to the development of an open, attractive and transparent European labour market for researchers and to the increase of the mobility of scientists in the European Union countries.

AGH University of Science and Technology is in the process of implementation of *The European Charter for Researchers* and *The Code of Conduct for the Recruitment of Researchers* and intends to undertake all necessary steps to align its human resources policies with the principles set out in *The Charter* and *The Code*.

Yours sincerely,

Rector
