

UNIVERSITY OF AGRICULTURE
IN KRAKOW

Kraków, September, 10, 2015

**Declaration of Support for the European Charter for researchers
and the Code of Conduct for the Recruitment of Researchers**

University of Agriculture in Krakow (UAK), represented by the Rector, Prof. Dr. Włodzimierz Sady welcomes and fully supports the Recommendation of the European Commission 2005/251/EC on “The European Charter for Researchers” and “The Code of Conduct for the Recruitment of Researchers” (hereinafter referred to as The Charter and The Code).

The University focuses its diverse activities on academic education and research conducted in agriculture and related fields, forestry, environment, food technology and veterinary sciences.

Research projects realized at UAK allow to gain knowledge crucial for future sustainable development in the human and animal-friendly environment.

The University recognizes the value of the Charter and The Code principles and voluntarily commits itself to apply them.

The principles of the Charter and The Code are in line with the UAK policy of increasing the University attractiveness to researchers, offering them attractive work environment, upgrading the quality of research and innovation and stimulate international mobility.

By implementing The Charter and The Code, University of Agriculture in Krakow intends to encourage international cooperation and contribute to the development of an open and attractive European market for researchers.

Sincerely

RECTOR
Prof. Dr. Włodzimierz Sady
