Declaration of Commitment of Università degli Studi di Firenze to the Charter for European Researchers and the Code of Conduct for the Recruitment of Researchers

Considered the previous endorsement letter with which the Università degli Studi di Firenze former Rector, Prof. Alberto Tesi, endorsed the principles of the "European Charter for Researchers" and the "Code of Conduct or the Recruitment of Researchers" and the entry into force of the HRS4R endorsed strategy and connected updated procedure,

Università degli Studi di Firenze, represented by Its Rector, Prof. Luigi Dei, restates the support to the Recommendation of the European Commission on the "European Charter for Researchers" and the "Code of Conduct for the Recruitment of Researchers".

Although several of the general principles of the Charter and Code have already been common practice at our institution, the adoption of the Charter and Code will provide additional guidelines of orientation for further improvement. Therefore, Università degli Studi di Firenze renews its commitment to the implementation of the principles of the Charter and Code within its organization and endorses the guidelines outlined in the Charter and Code.

The Rector
Prof. Luigi Dei
