

Driving:

If you are driving, the campus Directions and Maps page is: <http://www.american.edu/media/directions.cfm>

You may park in the garage under the **Katzen Arts Center** (entrance off of Massachusetts Ave.) or the Nebraska Parking Lot (entrance off of New Mexico Ave.). For your GPS or Google maps: 4445 Massachusetts Ave., NW 20016 will get you close to the Katzen Arts Center Garage, and 3401 New Mexico Ave., NW 20016 will get you close to the Nebraska Parking Lot entrance. Both parking locations are shown in red boxes on the attached campus map.

Parking charges will be suspended as of 4:00 PM in the Katzen lot only.

Metro:

If you are coming by Metro, take the red line to the **Tenleytown-AU station**; campus is about 1 mile from there. You may take the AU shuttle bus from the Metro station to campus. When exiting the station go to the left (East side of Wisconsin Ave) at the top of the long escalator. When coming to the street level, walk straight for about 100 feet and you're at the AU bus stop (see the GoogleEarth image below; the yellow rectangle is the bus stop and the yellow line is the path from the Metro exit to the bus stop). You will be taking the Blue Route bus to the Main Campus. Do not cross the street to catch an AU bus if there is one on the other side of the road; that bus would take you to the Law School.

The shuttle runs every 15 minutes starting at 7am. The trip to campus takes approximately 5-10 minutes, depending on traffic.

You will exit the bus at Hannay Gate/Ward Circle Building (shown in red on the attached campus map) just past Ward Circle (you may ask the bus driver to tell you when you get there as there are a few stops along the way).
